

BERLIN ANTI-COMMUNISTS DEMAND VOICE

Consideration in Four-Power Deliberations Faces Virtual Russian Veto

NO OFFICIAL COMMENT

Berlin, Sept. 2.—(AP)—Berlin's anti-Communist city government demanded today a voice in the four-power deliberations here on the German crisis. The appeal faced a virtually certain Russian veto as the four military governors began their third day of talks.

The city government's appeal is understood to have asked the military governors for an end to east-west strife in this Soviet-blockaded city; restoration of unified city administration under the elected government; guarantees of protection for the city assembly and guarantees of restored freedom of travel between Berlin and all four occupation zones.

The four-power working committee on trade and finance continued their negotiations on technical problems, but the other committee, made up of transport experts, did not meet.

An American member of the transport group, which would deal with the lifting of the 71-day-old blockade, refused to say whether the group's work was done.

"We might meet again," he said. "However, as you know, the lifting of the blockade depends only upon the word 'go' from the Russians. We've got plenty of coal and supply trains lined up at the rail heads ready to proceed to Berlin when the word comes."

The Russians, when they closed off the rail line between Berlin and the west, said it was because of "technical difficulties." Yesterday the French section newspaper *Dei Kurier* said these difficulties had been solved.

The four governors went into their third conference at 3 p. m. (8 a. m. EST), to consider specific proposals on the blockade, Berlin's currency, trade and inter-zonal trade. The working committee weighed these problems yesterday.

There has been no official statement on the progress of the talks.

The *Frankfurter Rundschau*, official paper of the Soviet military administration, predicted confidently that the Soviet-sponsored east mark will be adopted as the single currency for Berlin "very soon."

Mother of Five Is Victim of Shooting

Mr. Pleasant, Sept. 2.—(AP)—St. Louis Police Officer Harry Anderson today reported that a mother of five was found shot to death in her home and that a man who lived in her house was being held for questioning.

Pvt. Anderson said the victim was Mrs. Sarah Becker, 48, whose right arm had been torn away by a shotgun blast last night. He said Luther Hauser was taken into custody after he described the shooting as accidental.

Anderson quoted Hauser as telling this story: Hauser arrived at the woman's East Huntingdon township home last night and sat in the kitchen with a shotgun across his knee. As the woman moved an oil lamp while setting the table, Luther swung the gun and it discharged. Mrs. Becker fell to the floor.

ST MARYS TOT CAR VICTIM; DRIVER HELD

St. Marys, Sept. 2.—(AP)—Harold Herzog, 2, was killed by an automobile Tuesday as he crossed the street with his mother who was pushing another child in a carriage.

At the coroner's hearing at 8:30 p. m. Tuesday night the jury agreed that the driver of the car, Mrs. Margaret Herzog, 34, was negligent. The coroner's jury also found that the driver was negligent in not stopping the car when she saw the child in the street.

The young lady was taken to the office of Justice of Peace W. A. Timm and the charge was formally made and she was held for court under \$1,000 bail, which was furnished. In addition to the involuntary manslaughter charge, the state police of Ridgway barracks, who investigated the accident, are also holding her for driving on the wrong side of the highway.

1,851,000 Pupils Returning To Schools In Pennsylvania

Harrisburg, Sept. 2.—(AP)—Schoolrooms throughout Pennsylvania took on a bright and shining look today in advance of the return of 1,851,000 pupils to school.

Many rural and small town schools opened the new term this week, but the real trek back to the classroom comes for the bulk of the state's school children on Sept. 7.

It will be the first day of school for more beginners than in many a year. The State Department of Public Instruction said that most of the expected 27,000 increase in enrollment will be in the first grade.

And the influx of first graders will provide the biggest problem for school authorities in many of

G. O. P. Claims Substantial Labor Support As Democrats Step Up Plans For Campaign

Washington, Sept. 2.—(AP)—Republicans laid claim today to "substantial" labor support in all sections of the country for the Dewey-Warren ticket.

They coupled that claim with an announcement that Barack T. Mattingly of President Truman's home state of Missouri will direct GOP labor campaign activities.

Mattingly is a St. Louis attorney and general counsel for the Republican national committee.

In a Labor Day statement issued last night, Mr. Truman said: "This year labor, always interested in good government, is making great efforts to get out the vote in November."

Socialists To Confer With New Premier

Paris, Sept. 2.—(AP)—Premier Robert Schuman announced today he intends to form a new French cabinet without the Socialists, if the Socialists either voted against accepting posts in a new coalition government under Schuman, a popular Republican and many thought Schuman might refuse to go on.

The Socialists voted in a caucus 95 to 5 against participation in the cabinet, but their leaders scheduled another conference with Schuman, confident the popular Republicans would ask them to reconsider their refusal.

The Socialists have participated in every cabinet since the Liberation. They brought about the current situation by refusing to back up former Premier Andre Marie, a Radical Socialist, in his

Communism and Capitalism Condemned At Amsterdam

Amsterdam, The Netherlands, Sept. 2.—(AP)—An advisory section of the World Council of Churches condemned both Communism and capitalism. It said neither was an ideology capable of ensuring justice and freedom in the world.

The charges against both forms of society were made in a report drawn up by the section on "the church and disorder of society." The report was submitted to a plenary session of the council today and leading members of the section said it will undergo only minor revisions.

NEWSPAPER MAN IS NEW MAYOR OF ERIE

Erie, Sept. 2.—(AP)—Joseph Martin, councilman and city streets director, has been named mayor of Erie succeeding the late Sherman Hickey.

City council yesterday elected the former newspaperman to head the local government until Nov. 1949 when the municipal elections are held.

Hickey, who was elected only eight months ago, died of a heart attack Saturday. His term did not expire until 1952.

Michael Cannavino, former school board member, was appointed to the council and the streets director post vacated by Martin.

CORAOPOLIS BAND IS WINNER IN ST. LOUIS

St. Louis, Sept. 2.—(AP)—Coraopolis Pa. Post 402 won third honors last night in the senior division at the Veterans of Foreign Wars annual pageant of drums.

Post 234 of Wilkinsburg, Pa., captured second place in the junior band group, while top junior drum and bugle corps entry was Post 1692 of Philadelphia.

CLAIMS MEN WHO FOUGHT REDS FIRED

Secretary - Treasurer of Electrical Workers Union Is Witness Before House Sub-Committee IDENTIFIES VICTIMS

Washington, Sept. 2.—(AP)—James B. Carey testified today that many anti-Reds in the CIO United Electrical Workers Union have been fired and that some employers "find it easier to get along with Communists."

Carey, now CIO secretary-treasurer, was the first president of the U. E. to give a House labor subcommittee the names of two people he said he believes lost their jobs because they fought the Reds in the U. E.

He said Earl Enright was discharged in the elevator division of the Westinghouse plant at Jersey City, N. J., after unsuccessfully opposing James Matles for organizational director at the union convention last year.

He said Sam Basmanjian was one among many anti-Communists ousted at the RCA-Victor plant at Camden, N. J.

The subcommittee is looking into long-standing charges that the 600,000-member U. E. Union is dominated by Reds. This is the third biggest union of the CIO.

Chairman Kersten (R-Wis.) said the House group wants to study the union's contacts "because a lot of our national defense setup is in these industries."

Kersten asked Carey to explain a sentence in a letter he wrote the congressman Aug. 24, saying there are employers and other groups who "would rather do business with Communists than with bona fide leaders of organized labor."

Carey said that statement was based on "considerable experience." Kersten asked him for details and specific cases.

"Well," he said, "A Communist shop steward can't be too aggressive in pressing grievances. He is easier to get along with because he has to make compromises to perfect other interests."

Rep. Kearns (R-Pa.) said Carey was making "quite an important statement" in charging some management funds it easier to deal with Communists than non-Communists. Carey replied, puffing a cigarette pipe.

Claims that Communists have holed into the U. E. and succeeded in controlling it have been tossed around inside and outside of Congress for a long time.

Left and right wings have been having a family row over the union for years. This fight, a head-on for another showdown at a convention opening Monday in New York.

Huey Long's Son Leads Senate Race

New Orleans, Sept. 2.—(AP)—Russell Long 29, was ready today to take up where his father, the late Huey P. Long, left off as U. S. senator from Louisiana.

He claimed victory in Tuesday's Democratic primary, though returns were incomplete and unofficial.

His opponent, Judge Robert F. Kennon, was "watching the returns closely" and had no statement. Long, with only 47 of the state's 1853 precincts unreported, had a lead of 8,216 votes—297,933 to 247,725.

Democratic nomination in Louisiana is equivalent of election Long was confident he would fill the senate seat of the late John Overton until the expiration of Overton's term in 1950. The seat is presently filled by Senator John F. Eastland, appointed by Gov. Long who had announced he would not seek election.

LABOR FEDERATION CHARTING ELECTION

Harrisburg, Sept. 2.—(AP)—The State Federation of Labor knocked down today to the job of charting a course of action in the November election campaign.

Major task before the Federation's executive council was to decide whether to take sides in the presidential election in Pennsylvania.

Final decision on the matter, however, will be left to the group's League for Political Action, which also meets today.

The council yesterday reiterated its support of the Printing Trades Union in their fight to withdraw union labels from employers without closed shop.

At the same time, the council turned down a resolution criticizing naturalization and immigration officials on the deportation of alien radicals.

CARETAKER DROWNS

Greensburg, Sept. 2.—(AP)—Wilbert Hesson, 33, of near New Kensington, a caretaker at Melwood Park, was found drowned in the park swimming pool yesterday.

Swimmers found the man's livid clothed body in the shallow end of the pool. Hesson apparently fell in while standing near the edge. Coroner Joseph R. Cheek said.

ROBS ARMY NAVY STORE

Ambridge, Sept. 2.—(AP)—The Army and Navy store was robbed of \$3,400 yesterday by three armed men who forced the owner and a customer into a back room, where they emptied the cash register. The trio escaped.

Wallace Party Appearing In Mississippi

Jackson, Miss., Sept. 2.—(AP)—Henry Wallace projected his unsegregated presidential campaign today into Mississippi, home of the state's right Democratic revolt.

In Alabama, he cancelled three addresses yesterday when police enforced segregation and where at Birmingham the Alabama chairman of the Progressive party campaign was assailed by a shower of eggs.

Wallace's visit here was preceded by an appeal from Gov. Fielding L. Wright, to Mississippi, to treat the Progressive party leader as courteously as any other visitor.

Wallace's policy is to speak only before non-segregated audiences. Neither Mississippi nor Vicksburg has laws requiring the segregation of audiences, but in the past mixed audiences by custom have always segregated themselves.

Yesterday in Alabama, the former vice president abruptly called off speeches at Birmingham, Bessemer, and Gadsden—at Birmingham and Gadsden when police stretched ropes across outdoor lawns to separate white persons and negroes, and at Bessemer when negroes were barred from a park set aside for white persons.

Wallace spoke in three other Alabama towns, however, when negroes—in each case, only a few were permitted to join the white listeners.

Knoxville, Tenn., Sept. 2.—(AP)—The welcome mat is out for the public and the press at the Klan initiation here Saturday night. J. R. Huling, exalted cyclops of the KKK in Knoxville, has announced.

The Klan leader also said the ceremony to be conducted by 2,000 to 5,000 Klansmen under the lights of a burning cross was not planned to coincide with the scheduled speech here of Henry Wallace, Progressive party presidential candidate.

The Wallace speech is set for Mount Olive Negro Baptist church the same hour as the Klan ceremony planned for a field near the city.

The Klan ceremony had been planned for several months.

Coast Ports Are Idled By Dock Strike

San Francisco, Sept. 2.—(AP)—Pacific coast ports were idled today as CIO longshoremen quit the docks and prepared with allied unions for a strike.

Harry Bridges, president of the Longshoremen and Warehousemen's Union, predicted the strike would last three months.

Contract negotiations chiefly concerned with wages and the hiring hall collapsed last night. The strike will affect about 16,000 longshoremen and seafarers.

About 500 ships are expected to be tied up in Seattle to San Diego will be felt across the nation. Railroads had ordered an embargo on most freight destined for the coast ports. Military freight will be shipped.

The longshore walkout was called for 10 a. m. (1 PM EST) meeting to hear reports on the failure of negotiations which had begun last spring.

CIO Marine Cooks and Stewards, CIO Marine Engineers, Independent Marine Firemen and Marine Radio Operators are expected to follow the Longshoremen out. The unions had agreed not to sign a contract unless all did.

Loaded ships sailed abruptly yesterday, to beat the strike deadline. Twenty-five left San Francisco, leaving that many more partly loaded vessels alongside the docks.

Twelve of the 26 ships in the Los Angeles Long Beach harbor got underway before midnight and feverish loading continued on others until Longshoremen quit.

"Class of '24" Lines Up At Registration Centers Today

HUGE CARGOES ARE HELD UP BY EMBARGO

Scar! In Supplies Brings Slowdown In Pace of Trade and Industry In New York

FEW FIRMS CLOSE UP

Washington, Sept. 2.—(AP)—The "class of '24" lined up at draft registration centers today as Selective Service headquarters sent out its first official call for 10,000 young men to serve in the army.

Meanwhile, officials of all the Armed Forces put their heads together to plan how to keep Communists and subversives out of uniform.

The Armed Services personnel board was reported to have sent recommendations along those lines to chiefs of the Army, Navy, Air Force and Coast Guard.

The first of the 10,000 men called for by draft officials are expected to don olive drab in November. No state quotas have been announced as yet.

Big scale registration will end September 18, when 15-year-olds sign up for possible service after turning 18. The process of listing the eligible age groups, started Monday with 25 year old men.

Ten U. S. Bombers Seized By Russia During Japanese War

Washington, Sept. 2.—(AP)—At least 10 United States bombers were seized by the Russians during this country's war with Japan, including one B-29 shot down by Soviet fighter planes.

The Air Force disclosed this today and gave the detailed story of each incident in answer to a reporter's questions.

Five of the planes were B-29s, which the Russians later used as patterns for their own bombers, now appearing in numbers over eastern Europe. The others included smaller air force bombers and two navy patrol planes.

All except the Superfortresses shot down on a mission to drop food to American prisoners of war in Korea, were taken over when fuel shortage or damage forced them to land in Russian-controlled territory.

The planes and crews (again except for the shot-down B-29) were seized and interned while Russia was a neutral in the Pacific war.

However, the attacked B-29 was downed by Red fighters 20 days after Moscow had declared war against Tokyo.

The report added:

"At least five other planes, including two B-25 Mitchells, one B-24 Liberator and two navy patrol planes, were forced down on Kamchatka peninsula (off Siberia) during the war. In all cases they had taken off from Alaskan bases for targets on or near Paramushiro island (at the northern tip of the Japanese group).

Democrats Meet; Discuss Platform

Harrisburg, Sept. 2.—(AP)—The Democratic state platform committee called a meeting here today to put the finishing touches on its platform for Pennsylvania.

Col. Philip Matthews, Democratic state chairman, said the session was only a preliminary to the full committee meeting on Sept. 12. At that time the final draft of the platform will be submitted for approval.

The committee is headed by U. S. Senator Francis J. Pickens, who will fill the same role he held at the Democratic national convention in Philadelphia, Matthews said.

Other committee members include Congressman Herman F. Ehrlicher, Pittsburgh, and Francis A. Walter, Easton, State Senators Joseph M. Barr, Allegheny, and John Dant, Westmoreland, and State Rep. Hiram G. Andrews, house minority leader.

Warren Plans To Campaign Penn'a

Philadelphia, Sept. 2.—(AP)—Gov. Earl Warren, of California Republican vice presidential candidate, will speak in eight Pennsylvania cities during a two-day tour of the state beginning Oct. 1.

This was announced yesterday by Gov. L. B. Nichols, who said Warren's eastern itinerary starting Sept. 30, with an address in New York City.

While en route to Philadelphia for a speech Oct. 3, Warren will make three appearances in New Jersey, addressing rallies in Newark, Elizabeth and Trenton.

Oct. 2, Warren will swing through the eastern end of Pennsylvania, visiting in Baltimore on Sunday, Oct. 4.

The following day he will resume his Pennsylvania invasion with a trip across the state. Beginning with a morning rally in York, he will swing westward to Harrisburg, Altoona, Greensburg, and then up in fact with a high rally in Pittsburgh.

Dealers In Scranton - Wilkes-Barre Area Seek Milk Hike

Harrisburg, Sept. 2.—(AP)—A boom for another milk price boost was underway in Pennsylvania today.

The request this time came from dealers in the Scranton-Wilkes-Barre marketing area.

The dealers urged the State Milk Control Commission to raise the price of milk in their area another 11 cents to 23 cents a quart.

And simultaneously on the consumer's side of the milk scene, an announcement was made of the opening of an emergency drive to bring down the price of milk.

"We will fight to mobilize consumer support to force Governor Duff to roll back the price of milk," declared the Rev. F. D. Gholston, progressive party candidate for the state legislature from Harrisburg, backing the drive.

The minister also called for "removal of the chairman of the Milk Control Commission and his replacement by a consumer representative."

The Scranton-Wilkes-Barre area dealers made their request for the price hike at a closed conference with the Commission here yesterday.

Commission Chairman H. N. Cobb said the dealers reported that "the milk supply has shorted so severely in the last week that they will be unable to hold the milk for their customers unless the price is raised at the 11¢ per premium."

One dealer representative told the commission, Cobb related, that there was a shortage of 5,000 gallons of milk in the New York market as of Tuesday night. Recent dropping temperatures, which hurried eastern pastures as given as the reason.

Warmer Weather In Store For State

That man with the barometer came through with a prediction of warmer weather for Pennsylvania today.

In the eastern portion of the state, the weatherman said, the prospect of the last two days promised to give way to sunny and somewhat warmer conditions today and tomorrow with a slight cooling on period tonight.

Western Pennsylvania was due to have cloudy skies some rain but also warmer weather today and tomorrow with a slight temperature drop tonight.

The barometer readings were not expected to reach the scorching highs of the last weekend, however, even 30 Pennsylvania days as a direct result of the five-day heat wave.

Nor were tonight's readings expected to reach the lows registered in the state yesterday.

In Philadelphia, the mercury dipped to 56° yesterday, the lowest temperature ever recorded on the date since Sept. 1, 1896.

STRONGARM BANDIT SLAIN BY POLICEMAN

Pittsburgh, Sept. 2.—(AP)—City policeman John James reported he shot and killed an unidentified strongarm bandit in the Hill district early today after the man robbed and assaulted a citizen.

James Kortes, 33, suffered a severe head laceration, he told the officer, when a thief threw him to the pavement after robbing him of a \$50 gold watch, \$8 in cash and his keys.

A few moments later James gave chase to a running man. The officer called to the man to halt, he said, and when he did not, fired one shot. The man fell, a bullet in his head Kortes' belongings were found in the dead man's clothing.

Studios Move To Save Big Stakes In Mitchum Pictures

Hollywood, Sept. 2.—(AP)—With a heavy stake in three unreleased Robert Mitchum pictures, two studios have rallied to the defense of the 31-year-old cinema hero against a volleying barrage of law suits from RKO and Selznick studios, announced last night that Jerry Gershner, noted western screenwriter, who has figured in several cases involving screen stars would represent the handsome Mitchum.

The actor and real estate agent Robin Ford 31 were arrested with 26-year-old actress Lila Leeds and dancer Vickie Evans, 25, in what RKO and Selznick studios announced last night that Jerry Gershner, noted western screenwriter, who has figured in several cases involving screen stars would represent the handsome Mitchum.

Studios Move To Save Big Stakes In Mitchum Pictures

Friends were convinced he would be cleared.

Mitchum, rising star whose salary has been \$3,000 weekly, and the others accused were released on bail of \$1,000 each. A hearing on writs of habeas corpus was set for Sept. 8.

Police Detective Sgt. Alva Bart who headed the investigation, said the raid was "only the beginning of a Hollywood cleanup."

RKO and Selznick have scheduled for release the Mitchum pictures, "Rachel and the Stranger" and "Blood on the Moon," while RKO has "The Red Pony," made on Mitchum's loan from Selznick studio.

Mitchum's loan price to other studios had been set by Selznick at \$75,000 a picture.

Idol of hollywood groups, Mitchum was scheduled to appear in national Youth Month program at Los Angeles city hall yesterday.

DENNIS MORGAN AND JACK CARSON HEADING STRAIGHT FOR THE LIBRARY THEATRE, OPENING STARTING SUNDAY

Hold 'er boys, here comes Warner Bros.' sparkling new Technicolor musical, "Two Guys From Texas," starring Dennis Morgan and Jack Carson!

They're headed straight for the Library Theatre, opening starting Sunday.

Dorothy Malone and Penny Edwards fill the feminine leads opposite the two comers. In addition to the zany antics of the starring duo, there are plenty of musical stanzas, which feature a foot-tapping Julie Styne-Sammy Cahn score. The film winds up with a brilliant musical rodeo which LeRoy Prinz has created and directed with skill. David Butler handled the over-all direction.

Following their initial exploits in "Two Guys From Milwaukee," Morgan and Carson are now planted right in the middle of a swank dude-ranch in the Lone Star state. All of the dash and color of this sector is drafted into the swiftly-paced plot with lavish musical touches inserted for that extra fillip.

One unique sequence is an all-girl rodeo with fifty lovelies in the saddle and put through their formations by Prinz. Technicolor magic lifts this sequence up to a new high for a lovely, spirited production number. Four girl riders are full-blooded Indians including: Dorothy Sky Eagle, Wilma Standard, Ron Merle Darling and Dixie Carson.

Alex Gottlieb, producer of "Two Guys From Milwaukee" and "The Time, The Place and The Girl," produced this new Warner Bros. picture.

CHAPTER 8 — "SUPERMAN TO THE RESCUE"
FEATURES AT 6:07 - 7:07 - 9:07 - 10:07

New York has been the most populous state in the Union since 1820 and now has 10 per cent of the nation's inhabitants, although in land area it ranks 24th.

Authorities estimate that 11,000 Americans will die in fires this year, and more than double that number will be badly burned.

DRUGGIST DIES

J. George Heckman, 71-year-old retired Meadville druggist and a homefront civilian leader during World War II, died at City Hospital at 8:35 o'clock Monday night after an illness of a few months.

HOME VISITING DAY

Lutherans and all others interested are invited to participate in the annual Visiting Day at the Bethesda Home at Meadville on Labor Day, when the guest speaker for a 2 p. m. program will be Robbin E. Wolf, Pittsburgh attorney.

ERROR IN DATE

Through a typographical error it has been incorrectly announced that Pine Grove township schools will open next Tuesday. The first day of the fall term will be Wednesday, September 8, coinciding with the first day of classes in Warren borough.

CRAWFORD FAIR

The annual Crawford county fair will open near Meadville for a five-day showing on Sept. 21. Nearly \$5,000 in prizes will be given and features include harness racing and a number of shows.

SHARON FIRE STATION

Sharon's west side station will have its own fire station within a year, Mayor Myron W. Jones has predicted. Plans for the station still are in the early stage, the mayor added, but he said he felt it was important to move as fast as possible to extend complete fire protection to West Side Sharon.

Social Events

Local Musicians To Participate In Benefit Concert

Cole Hill, Sept. 1—Rev. L. W. Frank, county missionary for the American Sunday School Union, announces a special concert will be given in the West Spring Creek church on Sunday evening, September 12, at eight o'clock.

Musicians participating will be Lynn Rice, Cory; Byron Swanson, Gladys Jensen and Constance Dey, Warren; Mr. and Mrs. Harry Johnson, Spring Creek; Phyllis Hill, Jean Reagle, Dorothy Brown and Russell Moore, Columbus.

One of the features of the evening's program will be two groups of piano numbers played by Mrs. Edith Eldred Hewitt, one of Erie's leading pianists. Sponsors of the affair feel highly honored to have had Mrs. Hewitt accept their invitation to play on the program.

A selection of favorite vocal solos and duets will be presented and, by special request, Lynn Rice will sing "The Holy City," which he did there so successfully last September.

This concert has been arranged as a benefit for the church and a free will offering will be asked. Everyone interested is extended a cordial invitation and all are reminded to come early, since last year's program was presented to a capacity audience.

Information of Interest To Returning School Students

As is customary each year just prior to the opening of school for the fall term, Principal Floyd Bathurst makes a number of announcements of importance to students of the Warren Senior High School.

Classes will begin next Wednesday, September 8, with classes opening at 8:35 a. m. and pupils seated as follows: Seniors in Rooms 201, 202, 203, 204, 205, 206, 207, and 208; Juniors in Rooms 209, 210, 211, 212, 213, 214, 105 and 111; sophomores in Rooms 107, 108, 109A and B, 109C, 110, 113, 114 and 12.

Rooms numbered in the 200's are on the second floor, those in the 100's are on the first floor, and Room 12 is in the basement.

Mr. Bathurst reminds that all pupils who were in the senior high school or Beaty Junior High School last year are already enrolled for the fall term. Those who were in Russell High School last

at the school building. Those students who carry their lunches are given an opportunity to purchase milk and ice cream in the room where they eat if they so desire.

Approximately 6,500 Indians still live in New York state, on eight reservations where tribal customs are largely observed.

Mackenzie's Column

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

That vitriolic Yugoslav-Romanian row is worth watching, since it may well be a gauge by which we can judge how Moscow's world revolution is progressing and—equally important—what tactics are being employed to meet emergencies.

This Red upheaval represents the first serious break in the solidarity of Russia's satellite states. It had its inception in July when communist split with Tito, charging him with maintaining a hateful policy towards Soviet Russia and with departing from the Marx-Lenin philosophy.

Tito has denied the allegations and declared his devotion to Stalin. However, at the same time he has made it amply clear that Yugoslavia is running its own show. In other words, the marshal has got too big for the breeches that Stalin had tailored for him. So Moscow is bent on breaking Tito, and the latest development is Yugoslavia's charge that Romanians are trying to fo-

ment revolution for the overthrow of Marshal Tito's regime. More-over a blistering Yugoslav note singles out Mrs. Ana Pauker, Romanian foreign minister and one of Communism's dominant leaders, as calling for Tito's elimination.

A point which we shouldn't overlook is that Moscow is handling the communist and now apparently has assigned a prominent part to Romania, which means to Ana Pauker. In previous instances where punitive measures have been taken, Moscow has done the job itself. Why now does it hand the task to others?

Well, in the first place it may well be that Russia is making a virtue of necessity. That is to say, it probably would take force to oust the Tito regime, and Moscow isn't prepared to stick its neck out that far. It prefers to try to create a situation in which Yugoslavia's themselves would revolt against their leader. In short, Russia's Red empire already is showing signs of being unwieldy and hard to manage. Em-yment of Ana Pauker as general in the field probably is a shrewd move, but it is a confession of weakness. And if Moscow feels weakness already, what

will happen as the Red empire of unhappy slave states increases— it does.

One answer to that is a point which this column has made numerous times. This is that an empire built of unwilling states by force must in the end blow up. Nothing so evil can endure. This fact presumably accounts for the policy of containment which the western allies appear to have been following, that is, holding the line and letting the Communist world revolution crack itself up.

WOMEN SAFEST CREDIT RISKS

Women are better credit risks than men, a survey by the Federal Reserve Board indicates.

Men's clothing stores wrote off as a "bad debt" 56 cents out of each \$100 worth of sales credit last year, the Reserve Board discovered. But women's apparel stores showed only a 34-cent loss.

Reserve Board officials state they don't know why this should be, but a check with credit managers of some Washington stores brought these theories:

1. When men buy clothes on credit, they usually do so because they actually need time to pay. Most of those with "substantial means" buy on a strictly cash basis.

On the other hand, many husbands don't give their wives a lot of cash to carry around, preferring for them to charge clothes even when the family budget allows a cash payment.

2. There's just one person responsible when a man buys on credit. But there are two when a married woman does. And when a husband pays the wife's bills that makes her look like a better credit risk.

3. In cases where both husband and wife work, the husband often uses his money to take care of household and "living" expenses, and the wife can put all her earnings into clothes.

Regardless of whether men or women do the paying, the Federal Reserve Board finds, charge accounts bring a smaller proportion of bad debts than to installment sales.

Credit managers say that's because the longer the time to pay, the less incentive there is to complete payment—often the novelty wears off a lot of goods before they're fully paid for.

Jewelry stores suffered the biggest credit loss last year—\$1.48 on each \$100 in installment sales. Men's clothing did almost as badly, losing \$1.48. Women's apparel stores lost only 81 cents.

Automobile dealers, with buyers clamoring for cars and resale prices high on used jobs, had the smallest loss of all—only 14 cents on each \$100 of installment credit.

"TAKE TIME TO BE SAFE"

"Take it easy" and be around to enjoy life after the Labor Day week-end," Andrew J. Sordoni, of Wilkes-Barre, president of the Pennsylvania Motor Federation-AAA, advises motorists planning a holiday pleasure trip.

"Don't be in too much of a rush to get to the vacation or recreation spot selected for the Labor Day week-end," Mr. Sordoni cautions. "Rather than drive at breakneck speed, start out a little earlier.

"Heavier traffic over the holiday week-end will mean more accidents," the PMF president says. "Only by exercising more than ordinary caution, obeying motor vehicle laws and traffic regulations can we hope to come through the holiday week-end with a minimum number of accidents, injuries and fatalities on our streets and highways.

"It's much better to enjoy the scenery along our highways than to spend the week-end looking at the walls of a hospital or a doctor's office," he said.

"Officials of the sixty AAA automobile clubs throughout the commonwealth, including the Warren County Motor Club, affiliated with the Pennsylvania Motor Federation are anxious to have the Labor Day week-end turn out to be one of the best on record insofar as accidents and fatalities are concerned," Mr. Sordoni states.

"Naturally," he continues, "with more traffic on the roads, it increases the accident potential. However, if both motorists and pedestrians drive and walk with care accidents can be kept to a minimum.

"Just because we are to have a long week-end holiday is no need to turn it into a 'Roman Holiday,'" the PMF president points out.

"Let's all take time to be safe; let's all adopt the slogan of the American Automobile Association—'Take It Easy—And Live!'" Mr. Sordoni concludes. "But most important, let's all be here after the week-end has passed."

Wall Street is reported "feeling better." That may not be so tangible, some say, but prices in the security list steadied Tuesday and Wednesday, selling dried up and many issues had a firmer tone. Oil stocks were hit a trifle hard because the war rumor racket had sagged, and reports prevailed that the Berlin blockade soon was to be lifted.

Rarely does the death of an individual give rise to such widespread speculation regarding its possible effects as has that of Colonel General Andrei A. Zhdanov, one of Russia's big three and generally regarded as possible successor to Marshal Stalin as chief of staff. Zhdanov long had been a powerful figure in Communism.

YEARS AGO IN WARREN

Interesting Items Taken From The Warren Evening Times

1928
Declaring the dedication and christening of a new log building as "Chase Cabin" the biggest event of the outing, the twenty members of the Coneywango Fishing Club who left Warren August 31 and have since been at the camp at Lake Talon, Ontario, Canada, returned home last evening in their special Pullman attached to the regular New York Central train.

The first Democratic meeting of the present campaign was held Saturday evening at the Evening Times office with representative Democrats to the number of nearly fifty in attendance. It was the most enthusiastic gathering of members of this party held in Warren in recent years and every man present was optimistic for the success of the party and its candidates at the November election.

Feverish activity prevailed in every department of the fair grounds on Coneywango avenue today, in preparation for the fourteenth annual Warren County Agricultural Association exhibit tomorrow.

With the opening of the schools in Warren borough but a week off, Superintendent Pressel and Principal Bathurst of the high school are busily engaged in formulating opening programs for both teachers and pupils, while at the same time, Mr. Pressel is watching the progress being made in the construction of the new school buildings.

1935
Two local young men, John Allen and Phil Robinson, who have been experimenting with the flying of model airplanes, are meeting with considerable success. Their most recent attempt was with a plane having a six-foot wing spread and powered by a baby Cyclone motor with developments about one-fifth horsepower and weighs only about six ounces.

About 200 confirmands and friends were present at the 10th annual Lutheran confirmands' reunion held Sunday. Rev. George Fahlund, of Grand Rapids, Mich., delivered the sermon at the morning worship period.

A first-hand picture of "India as I Knew It" was described by John W. Fox of Ludlow at the weekly meeting of the Rotary Club Monday noon.

Faster and More Comfortable Railroad Riding It At Hand

By MAX HALL
(For James Marlow)

Washington—(P)—The streamliner flashes past and curves out of view, leaving its Diesel horn-toting hanging on the horizon, and you realize that the era of faster and more comfortable railroad riding is at hand.

That is to say—railroad riding for people who want to travel on a main trunk line from one big city to another.

People who live in small towns on the branch lines won't necessarily see much improvement. Their passenger train service may even slow down, or stop altogether.

Railroads are spending hundreds of millions of dollars for modern, streamlined equipment and despite agonizing delays they are getting lots of it. They're

Family Reunions

PUTNAM REUNION
The annual Putnam reunion was held at the Thompson Hill school house with 70 persons attending. A picnic dinner was served at noon and officers were elected, with Clair Putnam, president; Everett Clark, vice president; Lucy Lindell, secretary and treasurer. It was voted to have the reunion at the same place next year. Ice cream and cake were served in the late afternoon.

JONES FAMILY
Youngville, Sept. 2—Mrs. Frank Weaver, Mr. and Mrs. Charles Anderson attended the Jones reunion held at the Mayville Park, N. Y. August 28th. A picnic dinner was served to 32 members. Guests were present from California, Buffalo, Jamestown, Wrightsville and Youngville. At the business session Paul Young, Jamestown, was reelected president; Hyman Jones, Wrightsville, is vice president, and Mrs. Lucille Spetz is secretary and treasurer. It was voted to hold the next reunion at the same place the last Saturday in August, 1949.

AGRICULTURAL ANTS
Farming actually is carried on by agricultural ants on a small scale. They cultivate patches of wild rice, keeping out weeds until the crop ripens. They then climb the stalks and carry the grain away to their underground granaries.

The same song sparrow was caught in a bird-baiting trap more than 200 times in a single summer.

ceived well over 1,000 new-type cars in the last 12 months, and still have nearly 2,000 on order.

This week the Pennsylvania Railroad announced that it has expanded its postwar equipment program to more than \$216,000,000. The money is being used to streamline and modernize about a dozen of the Pennsylvania's best trains. The job may be completed by next spring.

The New York Central, engaged in a comparable program, is ready to make over its Twentieth Century Limited with brand-new equipment in a few days. Other railroads are doing similar things.

While the Pennsylvania and New York Central prefer to modernize their famous existing trains, many roads have created whole new ones, far-ranging, lightweight, speedy, gleaming silver or painted in gaudy colors from headlight to observation car.

Millions of Americans, depending on where they live and where they are traveling, will keep on enduring the ancient massive jolting cars for a long time, however. Railroads are putting their money into new seldom-stopping streamliners, or into their famous trains with established reputations, because that seems their only hope of showing a profit on passenger service.

Freight, of course, is the mainstay of the industry.

Facts About Diamonds...

Learn about facts from us. You can depend on our long experience in telling you how to buy a diamond—wisely.

Cutting is First Importance

A perfect diamond should have 58 facets. If the stone is properly proportioned and polished most of the rays striking it are reflected to the eye from the back facets. This is the beautiful play of color and fire.

Color Greatly Affects Value

The most valuable stones are devoid of any color. Ruby Red and really blue diamonds are very rare. Blue diamonds are almost unknown and command very high prices.

Weight, Not Size, Helps Determine Value

A carat, which is the standard of diamond measurement, is divided into one hundred points. The size of a diamond may be deceiving since a stone that appears large may be too shallow, or a heavy stone might be too deep and yet look small. For these and other reasons—buy your diamond from a jeweler of highest integrity.

John Q. Citizen Takes Look At Latest News In His Paper

Washington—(P)—John Q. Citizen unbuttoned his shirt, loosened his belt, eased himself into a chair, and began reading his afternoon paper while Mrs. Citizen prepared supper.

Subconsciously he carried on a silent commentary as he read, a habit that had grown with the years.

Hmmm... Some barbers wanting \$125 a haircut... not worth it with this little fringe I've got left. I shouldn't pay more than 50 cents. They can make money at 50 cents on me. Wonder how much a barber makes a

day... Takes about 20 minutes for a haircut... Three haircuts an hour for eight hours makes 24 haircuts a day at \$1.25 each... But I don't suppose they average that much.

Glad that flying boat made it to Chicago... Imagine it! 4748 miles in 24 hours and 2 minutes from Hawaii... Now there's a place I'd like to see one of these days... Fellow told me even the men out there wear flowers draped around their necks and nobody thinks anything of it. Sort of a local custom. I wonder if all the races get along as well together as he said they do... We could use a little more spirit of that kind over here.

Well, that fellow Tito is into a row with Hungary now... He's got his dander up and it looks like he's not going to be pushed around... Looks like Stalin has got a problem there... This story says "responsible state officials of Hungary have been pursuing a campaign against Yugoslavia and Yugoslav peoples which is in full contradiction to the agreement of friendship, cooperation and mutual aid between Yugoslavia and Hungary." I could say it in fewer words... I'd say "you've been telling lies about me and I don't like it, see, and you'd better shut up before I box you one."

Funny thing about those two Russian biologists who were fired because their views on heredity and

environment didn't agree with the official Communist party views. "Imagine two American biologists being fired because they didn't agree with the Democrats or Republicans' theories on biology... What a laugh it is: the American Academy of Sciences kicked out a couple of its members for that reason... I wonder if the Russian people laugh, too when they think no one is looking."

Golly: 124,000 gallons of beer dumped at Red Bluff, Calif., on a federal judge's order... Looks like there should have been some way to save it... Let's see: That's about 1,322,600 cans of beer at 15 cents a can... Worth about \$198,390 in the can... And that reminds me... I could use a cold beer right now...

Later, Mr. Citizen sat at supper with his wife.

"Anything in the news, dear?" she asked.

"Not much," he grunted. "Same old stuff."

Temple And Tryon Wedding August 21 In Jamestown

The altar of the Evangelical United Brethren church in Jamestown, was decorated with baskets of white gladioli for the marriage of Miss Alyce Tryon, daughter of Mr. and Mrs. Floyd Tryon, Tonawanda, N. Y., and Sylvester Temple, Buffalo, son of Mrs. Mary Roth and August Orzechowski, of Kane. The Rev. C. Norton Warner of Jamestown, performed the double ring ceremony at 4:30 p. m. on August 21st.

The bride was given in marriage by her uncle, Arthur McNeil, Honeyoe Falls, N. Y. The bridal gown was of white satin with long sleeves and train and her fingertip veil fell from a beaded crown. Her only jewelry was a three-strand pearl necklace. She carried a bouquet of red roses.

Miss Joyce Tryon was her sister's maid of honor. She was dressed in pink satin with a braided headband and carried yellow roses.

The bridegroom had as his best man his brother, Francis Orzechowski.

The mothers of the principals were both attired in navy blue. Mrs. Anne Tryon, grandmother of the bride, wore a navy dress with white and navy accessories. Mrs. Marguerite Nicklas, aunt of the bridegroom, wore aqua with white accessories. All had corsages of gardenias.

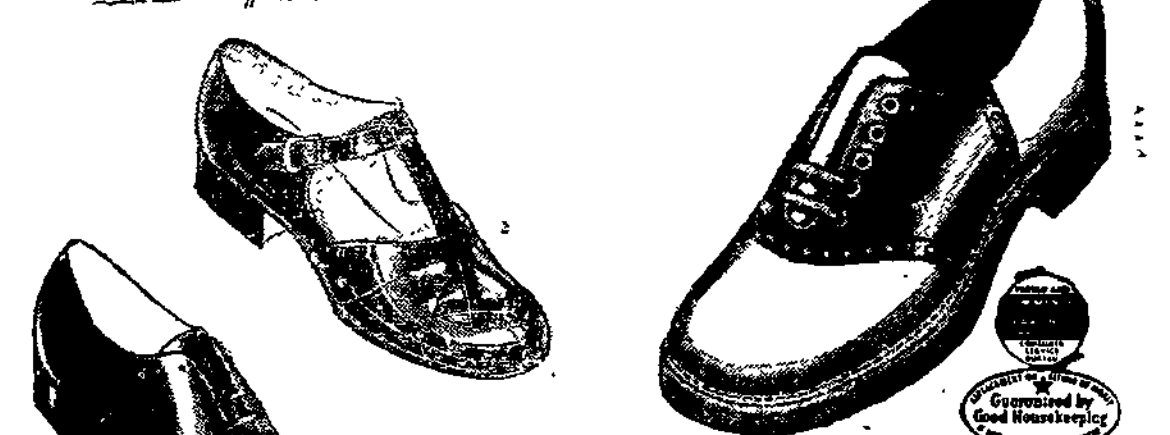

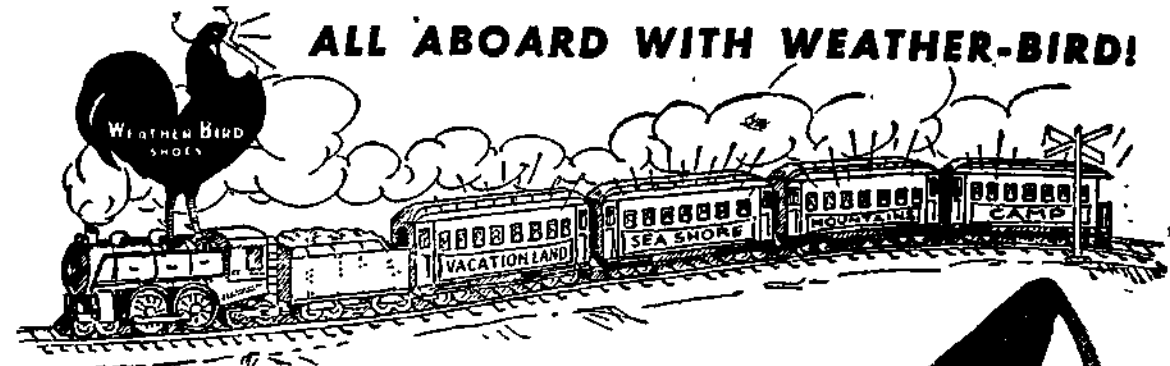

Following the ceremony a reception for approximately 100 guests took place on the lawn at the home of Mr. and Mrs. William Nicklas, Warren R. D. S. The bride's table was centered with a beautiful three-tiered wedding cake, topped by a miniature bride and groom. Mrs. Ethel Tryon poured and the reception was in charge of Mrs. William Nicklas and Mrs. Edith Blair.

Aides were Shirley Mason, Mrs. Arthur McNeil, Mrs. Francis Orzechowski and Mrs. Ruby Dalrymple. Guests were present from Rochester, Tonawanda, Buffalo and Honeyoe Falls, N. Y.; Bradford, Kane, Clarendon and Warren.

For a wedding trip to eastern cities, the bride chose a white dress with white accessories and a corsage of white roses.

The bridegroom has been employed by the American Radiator Corporation of Buffalo and served 37 months in the Pacific area with the U. S. Army.

The newlyweds will go to Chicago, Ill., where the bridegroom will attend a radio and television school.

Edwards - Russell Nuptials Saturday In Irvine Church

The wedding of Frances Kathleen Russell, daughter of Mrs. Grace R. Wolfe, 202 Water street, and Arthur James Edwards, Jr., son of Mrs. P. F. Bergen and A. J. Edwards, Cleveland, O., took place Saturday in the Irvine Presbyterian church.

Rev. E. W. Chitester, Youngsville, performed the ceremony at 2:30 p. m. before an altar decorated with palms and white gladioli. Glads in pastel colors were placed on the window ledges.

Mr. and Mrs. Laurel Whitmore, Youngsville, provided wedding music on the piano and violin.

The bride was attired in a cedar color wool suit, with black accessories, and carried an arm bouquet of roses and sweet peas arranged in a sheaf design. She was given in marriage by her uncle, Dr. F. S. Richards.

Miss Caroline Scipio, of New York City, was maid of honor. She wore a green suit with black accessories and carried a sheaf bouquet of yellow roses and pom-poms.

Best man for Mr. Edwards was Richard Selinski, Cleveland, and the usher was Lee Baker, also of Cleveland.

Mrs. Wolfe chose a navy sheer and a corsage of Talisman roses for her daughter's wedding. The bridegroom's mother was dressed in a mahogany color suit and had a corsage of gardenias.

A reception followed the wedding at 3:30 in the YWCA for 50 guests. Glads were used in decoration, and the three-tiered wedding cake that centered the table was baked by the bride's mother.

Out of town guests present were Mr. and Mrs. P. F. Bregens, Mrs. Edwards, Mrs. Winegardner, Miss Patty Silversides, Lee Baker, Richard Salinski, Cleveland, O., Mr. and Mrs. James A. Lane, Mrs. James Black and Miss Patricia Black, Oil City; Mrs. R. E. Morris, Tionesta; Miss Caroline Scipio, New York City; Mr. and Mrs. W. H. Leach and Richard Leach, Niagara Falls, N. Y.

After a honeymoon spent at Lake Erie through the month of September, the newlyweds will be at home in Cleveland. For traveling the bride chose a dove gray three-piece suit.

The bride graduated from Warren High School in the Class of 1942 and from Flora Stone Mathier College, Cleveland, in 1946. Until recently, she was employed as recreational director at Manhattan State Hospital, New York City.

The bridegroom graduated from the Case School of Engineering, Cleveland, and served one year in the navy where he had the rank of ensign. He is now employed as production engineer of the Brush Manufacturing Company, Cleveland.

SCHOOL BATTLES WAGES

The next chapter in the Kiantone District 2 schoolhouse battle will be written in the Chautauqua county court with two veteran legal opponents in the lead roles. This was the outgrowth of a conference by officials of the so-called "insurgent" districts with their counsel, Michael Lombardo, prominent Jamestown criminal lawyer. Lombardo announced that definite legal action will be filed soon in behalf of the "insurgent" districts in their fight to keep the school from being incorporated into the new Frewsburg central school district.

Judge J. Orin Waite yesterday ordered the show cause ruling in the petition for the sale of the Fisher Hotel to Gannon College continued for another week. At the request of the petitioners the hearing time was set for next Tuesday. Gannon College has offered to buy the building and erect a new dormitory there but the sale is governed by terms of the will of the late William Fisher who stipulated that it should not be sold during the lifetime of any of the heirs.

In the years between 1840 and 1850, more than 200,000 immigrants annually entered New York harbor.

IRVINE

Irvine, Aug. 31—Mr. and Mrs. N. B. Hulings entertained on Sunday with a family dinner in honor of their son, Dick, who arrived home last Wednesday after spending two and a half years overseas. Those present from out of town were Mr. and Mrs. Lawrence O. Nichols and sons, of Corry.

Miss Hazel Lightner has returned to Chicago after spending two weeks vacation with her brother, Roy, and other relatives. Other guests and callers at the Roy Lightner home during the week included Mr. and Mrs. Joseph Swanson and daughter, of Lander; Miss Lillian Turner, of Jamestown; Mr. and Mrs. Walter Turner, of Lakewood, N. Y.; Mr. and Mrs. James Joy and son and daughter and Mrs. Anna Turner of Pittsburgh; Mr. Homer Rogers, of Pendleton, Oregon; Mr. and Mrs. David Rogers of Hadley; Miss Mildred Rogers, Akron, O.; Mr. and Mrs. Scott Dickerson, Pittsburgh; Mrs. Walter McCue, of Erie; Mr. and Mrs. F. Rogers, of Youngsville; Mrs. William Lightner, of North Warren; Mrs. Frank Highhouse, of Warren.

Mrs. Bertha Walters spent Sunday at the home of her sister, Mrs. Alma Austin in Youngsville.

Mr. and Mrs. Leigh Nulph and son spent the week-end at the home of his parents, Mr. and Mrs. Harry Nulph, at Scotch Hill.

Mr. and Mrs. W. K. Bonner and son spent Saturday night at the home of her parents en route to Celoron, where Mrs. Bonner and daughter and Mrs. Joe Kulbacki son both played in the Knox Band concert on Sunday afternoon and evening.

Mrs. Andy Randinelli and

and sons spent Sunday with friends in Corry.

Mr. and Mrs. H. E. Wing were dinner guests Sunday at the home of Mr. and Mrs. Guy McNaughton at Fisher.

Mr. and Mrs. Scott Stuart, of Sugar Grove, were Sunday callers at the home of Mr. and Mrs. Ross Walters.

Mr. and Mrs. Merril Hulings and Charles Zuarl spent Monday in Erie.

Dr. and Mrs. I. G. Hyer, of Clarendon, were calling on friends in town Sunday.

Universal Sales and Service Has Full Line of Willys Jeeps

The Universal Sales and Service Company, new Warren district agency for the complete line of Willys Jeeps, formally opened its doors to the public today.

The new sales agency is located at 20 Conewango avenue. Several of the Jeep models are now on display in the showrooms and arrangements are being made for delivery of a Jeepster, classy run-about and the latest addition to the big Jeep line.

The new firm, in addition to handling the sales agency for Jeeps in the area, will also carry a full line of accessories. A big shop at the rear of the showrooms will enable the new firm to offer complete parts and repair service for

Jeeps and other cars. Officials of the new firm explained that the name, "Universal Sales and Service," was chosen because of the universality of the Jeep in providing a full line of station wagons, trucks and many other models that have won an important place in industry and agriculture. The Jeep, they pointed out, is the first vehicle in history to successfully combine the basic functions of the light truck, tractor, mobile power unit and passenger conveyance. A cordial invitation to the public to visit the showrooms and inspect the models now on display, is extended by the management. Telephone number of the new sales agency is Warren 3495.

Woman's Club At Sheffield Starts Season

Sheffield, Sept. 2.—Mrs. Ruth T. Miller, president of the Woman's Club for the new club year, was hostess for a tea at her home with Orabelle Snick and Mrs. H. H. Baldensperger as assisting hostesses. Miss Eva Brown distributed year books for 1948-49, showing that President's Night will be observed at the home of Mrs. C. A. Anderson on September 20.

Mrs. Grace Kelley and daughter, Jeannette, entertained Wednesday evening at a shower party honoring the former's granddaughter, Miss Jeannette McDowell, who is to be the bride of Carl Anderson, Jr., son of Mr. and Mrs. Carl J. Anderson, 213 Church St., on Saturday, September 18. The evening was spent in games, with prizes awarded to Miss Thaha Christenson and Mrs. Harry McKel. Many lovely gifts were presented to the guest of honor, after which lunch was served by the hostesses.

The Pennsylvania Bottle Company closed down two machines last week, but many of the men have secured work in Warren and Jamestown.

Mrs. S. H. Meeley arrived home last Sunday evening, after a pleasant visit with relatives and friends in Franklin, Clarion, Oil City, Rimersburg and Meadville for the past four weeks.

Mrs. James Whyte was in Erie Monday to attend the funeral of Mrs. Daniel G. Curtis.

Youngsville Eleven Has A New Coach

Artie Amann, basketball and football coach at Youngsville high school for the past three years, has resigned his position to accept an important position as head basketball mentor and assistant football coach at North Carolina high school in Pittsburgh.

Amann's place at Youngsville has been taken by Frederick Wermuth, Slippery Rock State Teach-

ers College graduate, who held a temporary basketball coaching assignment at Franklin high school during the second semester of last year's school term.

Wermuth has taken over the Youngsville squad, and is now holding regular practice drills in preparation for Youngsville's first game with Sheffield on Sept. 11. A Johnstown woman Rita A. Goldeneski, also has been added to the Youngsville high school faculty as coach of the school's girls basketball team and girls health and physical education instructor. Amann is a graduate of East High in Erie and also Duquesne University, and came to Youngsville following his graduation. He formerly played right guard on the Warren Red Jackets semi-pro football team.

He has taken over his new duties at North Catholic High, and is now working out with the squad at a two-week grid camp near New Kensington. His wife and two daughters will join him in Pittsburgh as soon as housing accommodations can be found.

Truck Strike Is Affecting Local Firms

Many Warren firms are becoming more and more affected in their shipments to the New York area by the current truckers strike there.

Most of the furniture manufacturers here, together with many other Warren plants which make some smaller shipments via truck, sent their deliveries into New York by truck routes. The Masterson Transfer Company, which transports for Paramount Furniture and Crescent Furniture, reports that its trucks cannot enter New York City at the present time, although they were in with shipments on Tuesday afternoon waiting outside the city all day Monday to enter.

This morning, Pennsylvania railroad officials here received of an impending freight embargo into the metropolitan district as freight terminals became loaded to capacity without the means to move the deliveries into the city. Unless the strike is settled within a very short time, a complete embargo of all shipments except food will be in effect.

According to the Kane Republican, Kane will be especially hard hit, inasmuch as most of its in-

dustrial output goes into the New York area.

Zhdanov Body Lies In State In Noted Hall

Moscow, Sept. 2.—(P)—Foreigners here are convinced there will be no change in Soviet policy—internal or foreign—because of the death of Andrei A. Zhdanov.

Experts at the American embassy said it was their opinion that Soviet policies should continue unabated and unchanged along the lines already laid down by Prime Minister Stalin, Foreign Minister V. M. Molotov and Zhdanov.

Zhdanov, member of the Politburo and generally regarded as one of Russia's three or four top leaders, died Tuesday. His body will be interred in the Kremlin wall this afternoon after funeral services in Red Square.

The American embassy experts said they believe that in considerable measure Zhdanov's influence in Russia will live on after his death. They said they felt quite sure that his pronouncements on various issues would, in fact, acquire new strength and emphasis because of the fact that he is gone.

Zhdanov's body lay in state in Moscow's Hall of Columns last night and today and Russians by the hundreds of thousands trudged past the bier to pay their final respects. The lines of mourners stood in a cold September rain through the night, awaiting turns.

Stalin himself went to the railway station when Zhdanov's body arrived from the rest home at which he died. The location of this rest home has not been made public. Stalin, together with Molotov and other leading Soviet figures, followed the bier from the station to the Hall of Columns.

Pirates Fined For Bonus Rule Breach

Cincinnati, Sept. 2.—(P)—The Pittsburgh club of the National League was fined \$2,000 today by Baseball Commissioner A. B. Chandler, who charged that the club had violated the bonus bill.

Raymond Kennedy, director of the Pirates' farm system, was fined \$500.

The fines were the result of L. M. Lynch, father of the player, being given \$600 of a \$1,200 a year contract as a scout, Chandler said, in violation of baseball rules. The senior Lynch's contract was nullified.

Player Lynch was signed to a contract calling for \$6,000 a year, according to Chandler, and was assigned to Waco.

Young Lynch, who starred at Southern Methodist University, was declared a free agent by Chandler, in keeping with baseball rules and Pittsburgh is precluded from signing him for three years.

Meanwhile, the commissioner continued silent on published reports that the Detroit Tiger farm system is "headed toward another housecleaning."

Keokuk, Ia., Sept. 2.—(P)—Baseball Commissioner A. B. Chandler has fined the Keokuk Pirates, Inc., \$500 for signing a Canadian high school boy before his graduation.

The Pirates had signed Loyde St. Louis, Windsor, Ont., lefthanded outfielder, during spring tryouts in Bartlesville, Okla., and later learned the boy did not graduate until June 10.

A diploma is necessary to show graduation, Chandler said.

They emphasized their opposition to the Communists by voting to seat five Berlin city government representatives as observers at a Parliamentary Council called a draft constitution for the American, British and French occupation zones.

FRED H. BARNEY

Word has been received here that Fred H. Barney, native of Warren county and resident here for many years, died yesterday at his home on Mistletoe avenue, Ft. Worth, Tex.

Born here 71 years ago on October 10, he lived at Weldbank for some years and was at one time associated with the W. C. Norris Machine Shop at Tiona. He was also a center-fielder on the old Norris Athletic Club baseball team. Besides his wife, he leaves three sons: a sister, Mary Dean, in Tulsa, and several half brothers and sisters, one of whom is Frank Barney, of Warren.

Services in his memory will be held at 4 p. m. Friday in Ft. Worth.

8-YEAR-OLD SLAYER GOING TO HOSPITAL

Uniontown, Sept. 2.—(P)—An eight-year-old boy whom a coroner's jury ruled "deliberately" shot his older sister because she slapped him will be placed under mental observation.

Coroner E. Ralston McGee said the youngster, George Lint of nearby Dickerson run, will be sent to Western Pennsylvania Psychiatric Hospital in Pittsburgh for examination as soon as necessary arrangements can be made.

His sister, Edna Lint, 17, died of a bullet wound in the chest as she was helping her mother wash the supper dishes last Friday.

A six-man coroner's jury ruled yesterday the boy "deliberately pulled the trigger," and recommended he "be put into a suitable institution for proper training and discipline as decided by the juvenile court."

Fayette County Common Pleas Judge S. John Morrow recommended the mental examination of the boy.

economic policies. Marie resigned last Saturday and the assembly confirmed Schuman as his successor Tuesday night. The Socialists' deputies emerging from a party caucus shortly before noon said a large majority had voted against entering the Schuman cabinet. They said the majority favored giving Schuman support, but opposed taking any direct responsibility for Schuman's program.

Meantime, the Socialists' hand is being forced by threats of increasing strikes. The walkouts have been scattered so far, but are growing.

Most important was a 24-hour textile stoppage called for today in the Lille area. The strike may involve 40,000 workers.

"The Magic City"

Many friends who missed the first showing will want to see "The Magic City," movie short on Hollywood, when it returns to the Library Theatre on Friday and Saturday of this week. Occasion of the local interest is that this interesting film introduces and features the Paramount starlet, Margaret Field, whose home is in Altadena and whose husband is Dick Field, formerly of Warren.

Also of interest to many old friends in this section is the news that Dr. W. Reginald Wheeler—Rex to his friends—is leaving New York City September 22 by Pan-American Airways to go to China. He plans to return by way of the Pacific, flying all the way. Rex has been for some time the executive secretary of the Yale-in-China Association, Inc., with his headquarters in New Haven, Conn.

We note from the Corry Journal that R. K. McLean and Sylvester Mullen, local duplicate enthusiasts, placed second in the annual city bridge championship played there over the past weekend.

Officers of the Philomel Club are at work on plans to entertain the northwestern regional conference of Pennsylvania Music Clubs here on Wednesday, October 6, one of the features to be a luncheon at the Woman's Club.

Dr. LeRoy B. Campbell writes us from Rome that he and members of his travel party were granted a special audience with Pope Pius XII on August 7. A later note from Paris reports they also had an audience with Gasperi of Italy, who told them of his plans for a greater Italy and his plans for combating Communism. On August 17, the party left for London and Edinburgh on the homeward journey.

Women of First Lutheran church will have a joint meeting here with delegates from Ridgway and Johnsbury on Saturday afternoon, September 11, for the purpose of organizing a Thiel College Women's Club.

Plans Made For Schools In Pittsfield

Cole Hill, Sept. 1.—The Pittsfield township schools will open for the fall term next Tuesday, September 7, and Cole Hill students attending the Garland school will have the same teachers as last year.

Miss Laura Deming, Mrs. Margaret Smith and Miss Jane Pratt, in Pittsfield school, Mrs. Clarence Jones will take Miss Johnson's place.

A Florida car, while traveling between Garland and Torpedo Sunday afternoon, struck a pile of stones in the road on route 27 that workmen had piled out, as the road is under construction between Torpedo and Pittsfield. The car occupants were unable to remove the car so they called at the home of Glenn Eastman, nearby. Mr. Eastman, his son, Norton, of Irvine, and Charles Belfance of Amsterdam, N. Y., visitors there, helped free the car. While engaged in moving it the car slid sideways, one door struck Mr. Eastman and Mr. Belfance, injuring both men. Mr. Belfance received a lacerated scalp which was dressed by Dr. Knapp in Youngsville, and Mr. Eastman suffered a bruised shoulder and left arm.

Dan Mourer, state forest fire inspector and Jay Peas of the Forestry Department, finished setting the telephone poles to the Cole Hill fire tower Monday.

Mr. and Mrs. Wilbur Camp and daughter, Judy, of Corry, and the former's sister, Mrs. Rea Janik and daughter-in-law, Mrs. Fred Farnham and her daughter, Charlemagne, of Baltimore, Md., were visiting at the homes of Mr. and Mrs. Charles Camp and family, and Mr. and Mrs. Glenn Eastman and family.

The Cole Hill and Torpedo 4-H Cooking Club met at Island Park at Youngsville, for the final round-up, Friday morning. All members finished their projects, and all

endangered immediately by the stoppage although a possible shortage of cardboard containers loomed as a threat to milk distribution. About 60 per cent of the fluid milk sold here is packaged in such containers.

Deliveries of fresh fruit and produce continued at near-normal rates from piers to stores.

Trucks operated by major haulers of newsprint were at a standstill but mayor O'Dwyer reported that there were sufficient newsprint stocks on hand to last from nine days to three weeks.

Meanwhile, city, state and federal mediators met with union representatives in an effort to settle the dispute, thus far confined to local 307 of the AFL International Brotherhood of Teamsters.

Martin T. Lacy, a union spokesman, insisted that the stoppage was a walkout and not a strike. He said it resulted from independent action by union members.

The tie-up came after the local rejected a wage settlement worked out last week between employees and three Teamster locals. The agreement provided a 15-cent hourly wage increase.

If the stoppage continues, union leaders said, it may be joined by about 30,000 members of two other major New York City locals, and nine Teamsters Locals in New Jersey and Westchester County, N. Y.

These groups also planned a meeting today to chart future action. All of their contracts expired at midnight Tuesday.

City officials as well as business men feared the walkout might spread throughout the area, duplicating the paralyzing truck strike of 1946.

Obituary

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a. m. to 12:30 p. m. and 7 to 9 p. m.

CARL E. CHRISTENSON
Word has been received here of the death and funeral of Carl E. Christenson, 3061 East Derbyshire road, Cleveland Heights, O., a brother of W. O. and A. G. Christenson, of Sheffield.
Mr. Christenson, formerly associated with the automobile sales business in the Cleveland area and for the past 12 years a partner in the Brooks Neon Tube Company, died in Hanna House, University Hospital. He was born in Sweden 70 years ago and came to Pennsylvania at the age of 11 years. He has been in Cleveland since 1905.
Besides his brothers here, he leaves his wife, Mabel Smith Christenson; three daughters Anne L. and Coral Christenson and Mrs. Charles M. Gard; also another brother, Harry E. Christenson, in Sacramento, Calif.
Services in his memory were held Monday afternoon, with interment following in Lake View cemetery.

MRS. DANIEL G. CURTIS
Services were conducted in Erie Tuesday afternoon by Dean Francis E. Blodgett, of St. Paul's Cathedral, for Jennie Eldred Curtis, wife of Daniel G. Curtis, former resident of this section and known to many in Warren and vicinity.
Mrs. Curtis was the daughter of George Eyrone and Harriet Allen Eldred, of Spring Creek, her Grandfather Eldred, native of London, having been one of the pioneer settlers of Warren county. After her marriage to Mr. Curtis she lived in Ludlow, where her father-in-law owned the tannery, then lived in Warren briefly before moving to Erie in 1905.

AXEL LARSON
Services in memory of Axel Larson, 207 Russell street, were held at the Templeton Funeral Home Wednesday at 2:00 p. m., with Dr. H. A. Rinear, Lutheran minister, conducting the service. Interment followed in the family plot in

Scandia cemetery with the following serving as bearers: Clifton Larson, Arni Erickson, John Rich Albert Johnson, Axel Lundahl and Frank Gernert.
Attending from away were Albert Johnson, Mrs. Alice Swanson Scandia; Mrs. Carl Squire, Tionesta; Mrs. Floyd Barnett, East Hickory.

CHARLES STINGEL
Funeral services in memory of Charles Stingel, Warren, R. D. 3, were held in St. Joseph's church at nine o'clock this morning, with Father Alfred Bauer celebrating the requiem mass. Bearers for interment in St. Joseph's cemetery were Orrie VanOrd, William Lehman, George Zerby, Steve Simones.
Attending the rites from away were Mary Ann Reagan and Evelyn Stingel, Pittsburgh; Mr. and Mrs. Herman Gray, Youngsville.

HENRY ZURBUCHEN
Services were held at the Lutz Funeral Home at 2 p. m. Wednesday for Henry Zurbuchen, North Warren, the Rev. J. O. Bishop, of Salem Evangelical United Brethren church, officiating. Interment followed in Oakland cemetery, with the following acting as bearers: Arnold Mader, Dexter Marsh, Franklin Burnan, Stuart Nelson, C. J. Mader and Clifford Mader.

Eastern Wedding Of Interest Here

Many Warren friends will be interested in the announcement that Miss Suzanne Richmond, daughter of Mr. and Mrs. Ralph Richmond, of Lumberville, was married on Saturday, August 7th, in Trinity Episcopal church, Buckingham, to Willis Archibald Johnston, Jr., son of Mr. and Mrs. Willis A. Johnston of Drexel Hill and formerly of Warren.

The Rev. Roderick Pierce officiated at the ceremony which was performed in the presence of the immediate families. Following the ceremony, a breakfast was served at the Washington Crossing Inn.

Mr. and Mrs. Willis A. Johnston, Jr., will be at home after September 1st at 2300 Pine street, Philadelphia.

ENGAGEMENT TOLD

Mr. and Mrs. Arthur Hamblin, Warren, R. D. 3, announce the engagement of their daughter, Margaret (Peggy) Hamblin, to Charles Chase, son of Mr. and Mrs. Guy Chase, Youngsville, R. D.

HONORS DAUGHTER

Mrs. Ralph Chester was hostess at her home for a party which honored her daughter, Joanne, who left August 28 for Wilmington, Del., to enter the fall class at the Delaware Hospital Training School for Nurses.

DINNER-DANCE FOR ERIE ALUMNAE

Announcement is received from Erie that alumnae of St. Vincent's Hospital Training School will have a dinner-dance at Pulaskos on the Lake on Wednesday, September 15, with dinner at 6:30 p. m. and dancing from nine until one to the music of Herbie Johnson's Orchestra.

Dinner reservations must be made no later than September 8 with Miss Eleanor Tuttle, 118 West 21st street, or Miss F. Walther, 446 East 23rd street, Erie.

NEVER BEFORE

have you seen such a Washday Miracle!

IT'S TIDE

... Procter & Gamble's amazing new discovery!

You've never used anything like it! Tide's a true miracle of modern science, made possible through wartime research. Tide gets clothes **cleaner** than any soap made! But that's only part of the miracle... Tide also leaves colors **brighter**! As for your white things—no soap in the world will get them whiter! You'll know Tide's completely different the first time you see the suds. Those wonder suds look different... feel different... they billow up instantly even in hardest water.

NO SOAP WILL GIVE YOU ALL THIS:

The CLEANEST, BRIGHTEST, WHITEST wash you ever hung on the line!

CLEANER than any soap!
You'll get a real washday thrill when you see how Tide gets everything cleaner—even greasy overalls! For Tide not only leaves clothes free from ordinary dirt, but actually removes dingy soap film as well!

BRIGHTER than any soap!
Tide brightens colors that soap washings have dulled. Works this miracle safely, too! Yes, powerful enough for heavy work clothes, yet truly safe for all washable colors—that's Tide!

The world's WHITEST wash!
Good news for sheets, shirts, pillowcases, and other white things! Tide gets them dazzling white! No soap made will get them whiter! And Tide keeps them dazzling white, week after week... never turns them yellow!

GIVES MORE SUDS—
prove it in your dishpan!
Kind-to-hands suds! Faster suds! Longer-lasting suds than any soap in hardest water! Tide cuts grease like magic... washes dishes cleaner than any soap. No suds in the water! No cloudy film! Dishes and glassware rinse and dry sparkling clear—even without wiping!

GUARANTEE
Procter & Gamble guarantees that Tide will do everything claimed for it in this advertisement. If you are not completely satisfied, return the unused portion of your package to dealer, and the purchase price will be refunded.

TIDE GETS CLOTHES CLEANER THAN ANY SOAP MADE
—yet actually LEAVES COLORS BRIGHTER

TIDE'S IN-DIRT'S OUT!

TIDE WORKS EXTRA MIRACLES IN HARD WATER! OCEANS OF SUDS! NO WATER SOFTENERS NEEDED!

Route 8 north of Titusville, under construction for more than a year, was opened to traffic Monday. One-way traffic will prevail over some sections of the road while machinery is at work on the berms.

CORRY CEREMONY

A throng estimated at 1,500 attended the impressive memorial dedication services which were conducted by the Corry Women's Victory Club Sunday afternoon in Mead Park, honoring 50 area service men who gave their lives in the recent war.

ERIE SCHOOLS READY

An estimated total enrollment of 6,846 students is expected to begin the next term of high school in Erie, according to Supt. Herman Grose. There are no major changes in that city's seven high schools.

QUARTERLY DIVIDEND

A quarterly dividend of 30 cents per share on the \$12.50 par value capital stock was declared Tuesday by the Board of Directors of the South Penn Oil Company, George J. Hanks, president of South Penn, announced. Mr. Hanks said the dividend is payable Sept. 30 to shareholders of record at the close of business Sept. 16. This brings South Penn dividends for the year to date to a total of \$2.10, he said, as compared with dividends of 75 cents for the first nine months of 1947. So far this year, South Penn has declared four dividends: One of 30 cents for the first quarter; a 30-cent dividend for the second quarter plus a \$1.20 special dividend, and the 30-cent dividend just announced for the third quarter of 1948.

RETIRED MINISTER DIES

Dr. W. T. K. Thompson of Mercer, retired minister and Mercer county's first parole officer, died in his home Saturday. He was 77. He had retired in June as pastor of the Reformed Presbyterian church of Mercer which he had served for 37 years, coming from a charge in Superior, Neb.

CONDITION IMPROVES

Continued improvement is noted by Warren General Hospital authorities in the condition of Marcel Prigent, 43, of 20 Elm St., Warren, who was injured in an accident at the National Forge plant last Friday. According to reports, Prigent suffered two slight fractures in the spinal column and a fracture of the left hip when he was struck across the back by a chain which slipped off the hook of a crane.

ELECTED TO COMMITTEE

Steve Bosko, of Pittsfield, and James Fleming, of Youngsville, were elected to the patrons' committee of the Youngsville G.L.F. Service at the annual meeting attended by 110 patrons held in the Brokenstraw Grange Hall, Youngsville, on Wednesday evening. Hold-over committeemen are D. W. Mourer and Archie Jackson, both of Youngsville, and Orrin Kirby of Pittsfield and Ira Johnson of Chancellers Valley. James Putnam is the local store manager. Ron Richardson spoke on the Rural Radio Network which has been put into operation for the benefit of rural listeners.

Clarendon Auxiliary Champion Paraders

The Ladies' Auxiliary of the Clarendon Fire Department is to be highly commended for the fine record it has established in its participation in recent parades in nearby communities. The women have taken part in four out-of-town parades this summer and, in each case, have returned home with a cash award.

The department and auxiliary were both seen in the parade at Lakewood, N. Y., last Saturday evening, when the latter won a first prize for "the best appearing auxiliary outside Chautauqua county."

On Sunday afternoon, both Clarendon groups participated in the Stockton, N. Y., parade, and both received top honors as "best appearing units."

SUGAR GROVE

Sugar Grove, Aug. 26—Mrs. Gerald Youlde was hostess to the August meeting of the Hill and Dale Garden Club Wednesday afternoon with Mrs. G. E. Denigan, Mrs. Curtis Armstrong and Mrs. Lewis Barlow, assisting hostesses. Mrs. Margaret Woodside conducted the devotion and roll call response was My Favorite Flower combination. During the business meeting, the invitation to enter an exhibit at the Youngsville Fair was accepted and Mrs. R. A. Edlund was appointed as chairman of the committee. Mrs. Delmar Mickelson and Mrs. D. H. Haggerty were appointed as a committee to plan an entry for the parade at the Sugar Grove Fair. The club also voted to make a gift of money to the Jamestown triplets. Mrs. Flossie Broughton of Lakewood, N. J., was the guest speaker of the afternoon and she gave a most interesting talk on her vacation trip and the many places of interest she visited. Mrs. Clara Burgett, Mrs. Henry Swanson and Mrs. Arthur Cooy, had charge of the exhibit of zinnias grown by the members as a club project this summer, and Miss Broughton and Miss Mance Dairmyle of Akron, O., also a guest, acted as judges and reported the winners as Mrs. Stuart Andersen with 17 points, Mrs. Curtis Armstrong, 10 points, and Miss Josephine Rucker with 9 points. Mrs. Ale Skinner conducted a contest. The hostess served dainty refreshments.

Mrs. Joseph DeFrees of Warren, was the guest speaker at the first meeting of the season for the Sugar Grove Reading club, at the home of Mrs. Neil Scott, Thursday evening with twenty members and guests present. Mrs. DeFrees chose as her subject, "Comparison of Styles in Poetry and Music During the Last Years." She divided the topic into four parts, classic, romantic, impressionistic and modernistic, and gave many examples from various authors and composers in readings, vocal and piano solos and record music. Among them were poems from Shakespeare, Emily Dickinson, Sandburg, Vachel, Lindsey and other poets, and Ben Johnson who composed "Drink to Me Only With Thine Eyes," which she sang; Schumann, Chopin and other composers, closing with a reading and music arrangement.

NAMED DIRECTOR

Donald M. Rosenberger, director of Hamot hospital in Erie, has been elected one of three delegates to represent the Hospital Association of Pennsylvania in the house of delegates of the American Hospital association for a two-year period, according to word received here last night.

APOSTOLIC BLESSING

Several days before his death, Erie's Mayor Sherman Hickey, received word that Pope Pius XII had granted him an Apostolic Blessing and Plenary Indulgence on August 17. The scroll containing the blessing was taken to Erie Tuesday by a brother, Dr. John Hickey. Services for the mayor were held yesterday.

SERVICE LINE IN CORRY

Workmen this week are installing a new and larger electrical service line to the Corry Country Club to replace the wire which was placed with erection of the club house in 1921. Replacement of the wire was necessitated because of the increased load and also because of its condition.

VET POST OFFICE MAN

Charles C. Hotchkiss, for 42 years a member of the Union City Post Office staff, ended his long term of service with the government today. Hotchkiss went to work in the Union City office in 1906 as a sub-carrier and was gradually promoted to the clerkship which he held until today.

APPEALS TO HIGH COURT

Mrs. Joseph H. Haskell of New York City has filed an appeal with the Pennsylvania Supreme Court to stop her mother, Mrs. Josephine Sibley Heathcote, from selling River Ridge Farm near Franklin, to the White Fathers of the Africa Society. An injunction proceeding in Venango county court brought by Mrs. Haskell against her mother was dismissed by Judge McCracken last spring.

BOY KILLED AT MILL

Three-year-old Edwin Skelton, was fatally crushed Tuesday by a heavy log on the skidway of a sawmill on the Rockland-Kennett road, where he was playing with a nephew, Tony Appleby, and a brother, Earl. The father, Earl E. Skelton, Sr., had gone to the house for a cup of coffee with a fellow worker, Robert Patterson, Corporal D. A. Gehr of the State Police, Sheriff John Cunningham and Dr. Frederic W. Wilson, coroner, investigated the accident.

FUGITIVE AGAIN

A Butler county youth whose mid-April jail escape project failed miserably in the Crawford county woods between Cochranton and Ulca, Ellsworth Buchanan, 19, of near Butler, is on the loose again. He fled Pennsylvania Industrial school at White Hill, near Harrisburg and was reported still undetected Friday night, more than 24 hours after he had leaped over the school fence while returning from lunch at the industrial school's furniture factory.

Corry Chief Retiring

Fire Chief Andrew Paulson, Corry, well known throughout the state, says he still feels rugged, but no longer at 65, rugged enough to scale ladders and do the hazardous duties a fire chief should do. So, he is retiring October 1 after 36 years of service. Andy, as he is known to almost everyone in Corry, came to America from Denmark at the age of three and grew up in Corry. He is married and has four sons, Rex, Jack, Dick and Don. Paulson was named chief in 1912 while a foreman at the Kurtz Brass Bed Company. In 1925 he moved to the Aero Supply Company, where he is now foreman of the grinding department.

LOBLAW NEWS

With the long Holiday weekend ahead, it will be necessary to plan your meals a little farther in advance than usual, and in anticipation of this, we have gone all out to bring you the finest the market affords to make your shopping more pleasant and profitable.

First off, we would like to call your attention to Swift's New Peanut Butter. Each jar has a beautiful colored plastic cap that can be used for a Coaster after you have finished using your jar of Peanut Butter. However, you get four extra caps, when you buy two jars. We suggest you buy these this weekend while the supply of extra caps are available.

We are still talking about our fillets of cod, perch and haddock. They are the weekly answer to your budget problems. Save money, eat more fish.

We'd like to call your attention particularly to our picnic supplies. There is a wide variety of items to choose from, and with the double holiday we know you will find many things that will make your outing more enjoyable for the whole family.

We will have to sign off now, but there is still room to wish you a safe and enjoyable weekend.

30,000,000 Required For A Moderately Large University

BY BRUCE BLOSSAT
(For James Marlow)

Washington—(AP)—What would cost to start a moderately large university from scratch? About 30,000,000.

Why raise the issue at all? Because educators predict that the nation's college population may be doubled by 1960. And expansion programs of existing schools are ample sign of the need for more space.

2. Because educators get a surprisingly large number of inquiries from people who would like to find the backing they need to organize a college.

This example concerns a moderately large school—one with potential enrollment of about 5,000 because an institution of that size would take a healthier bite out of the backlog of college-bound students.

But, why \$30,000,000 for an adequate university?

The office of education offers some figures on the matter. It finds that the 85 American schools in the "moderately large" group (3,000 to 8,000 students full-time) have an average floor space of about 130 square feet for each student.

But that isn't nearly enough, the office of education says. Professors are using make-shift cubbyholes for offices, classrooms are crowded to the doors. The colleges themselves are shooting for about 185 square feet per student by 1950.

If that 185 square feet is accepted as adequate, then 5,000 students would need 925,000 square feet of "educational" space—classrooms, library, laboratories, gymnasium, auditorium and auxiliary structures.

Government engineers say it would take about \$16,650,000 to provide it at today's costs.

Allowing 100 square feet of living space for each student to be housed, as suggested by the office of education, the bill goes up another \$4,000,000.

Federal education officials estimate that land, equipment and other beginning essentials would add an extra \$8,883,000 to the total. These items would come to about one fourth of the overall figure.

There you have \$27,533,000—just for the physical plant to start a university.

Roughly \$2,500,000 is allowed for all other initial expenses, including promotion and scouting for teachers. (There'd probably have to be some "raiding" among established schools and industrial laboratories.)

Now the new university could open its doors. If it could meet operating expenses of perhaps \$7,500,000 a year, it could keep them open.

Fresh air, a comfortable bed with a soft, low pillow, and warm feet are safeguards against sleeplessness, a physician states.

So hurry... don't miss out. Save money in Chiffon's big 1¢ sale today. Offer good only while dealers' current stocks last.

NO SOAP ON EARTH IS

GENTLER
with fabrics!

Chiffon removes harmful soils that soapless substitutes can't. And, unlike strong granulated soaps, Chiffon contains no "filler" that can mat woolens, weaken delicate fabrics. Chiffon is pure soap... the gentlest kind in the world for your beautiful silks, nylons, cottons, woolens.

KINDER
to hands!

Chiffon keeps hands soft and lovely. For Chiffon, unlike strong laundry soaps, or soapless substitutes, contains no harsh alkali to reddened hands... no skin-drying chemicals to roughen them. Chiffon is quick with dishes... yet mild as only the purest soap can be! So Chiffon actually protects your hands in the dishpan.

SAFER
for colors!

Chiffon is safe as water alone for misty nylons, dainty pastels, gay prints. Unlike tough washday soaps, Chiffon contains no strong "filler" or alkali to fade bright colors. Chiffon is pure soap; no other kind keeps nylons, lingerie, sweaters brighter, newer looking.

Bunt Singles Pave Way For 5-2 Win For Forge Over Glendora Coffee

Two arch neighborhood rivals, the National Forge and Glendora Coffee baseball teams, tangled in a hard-fought scrap before 250 fans at Wilder field at Irvine last night, with the Forge emerging by a 5 to 2 count.

Umpires Solock and Vizza called a halt to the proceedings early in the top half of the ninth frame on account of darkness.

Dean Whitaker, ace moundman for the N. F. O., turned in a classy mound performance, fanning 13 batters in seven innings, issuing no free passes and scattering six safeties. Dean left the mound at the end of the seventh to rest his arm for his "big chance" with the Pittsburgh Pirates in an exhibition game at South Park, Pittsburgh, Saturday, with Diz Hines taking his place.

Dean's fast ball and his tricky curve got him out of hot water several times in the contest, leaving Glendora men stranded on the sacks.

Dave Lopez went the full route for Glendora, and showed a lot of strength in the early innings. But the Forge crossed him up with bunt singles in the fifth frame when three big runs were posted on the scoreboard.

Glendora showed plenty of spirit and hustle, but experience paid off big dividends for the N. F. O. After the contest, the Forge players were loud in their praise of the entire coffee nine, adding that it was a credit to the Sunset League to have such a fine champion. The Forge crew also said there was a possibility that they would join the ranks of the Sunset loop next season.

The game ended the home season for the Forge, but the squad will be in action with a twin bill at Brookville on Labor Day. The games will start at 10:30 a. m. and 8 p. m. The Forge record for the season to date shows 22 wins against 11 setbacks for a .687 rating—mighty good ball in any league.

The Irvine crew notched two of its runs in the fourth frame. Murphy started things off with a single to center, and promptly stole second. Harry Rosequist singled with Murphy advancing to third. Enemy Morrison bunted, scoring Murphy with Rosequist to second. Ananea grounded out to advance Rosey to third, and a single Ananea, c. 4 0 0 1 Frisina, f. 3 1 2 0 Peterson, 2b. 3 0 0 0 Whitaker, p. 3 0 0 0 Hines, p. 1 0 0 0

Robin Roberts Haled As Best Young Pitcher

St. Louis, Mo., Sept. 2.—(P)—Umpires as a rule, are not the kind of men who go around passing out bouquets.

But Babe Pinelli thinks the Philadelphia Phillies' Robin Roberts is the best young pitcher in the National League and is not adverse to saying so.

Pinelli tapped Manager Eddie Sawyer on the shoulder as the Phil's pilot was going to his dressing room here the other night.

Sawyer turned, surprised. Umpires don't usually tap managers on the shoulder unless it is to tell them that they have been fined.

"I don't have to tell you this," Pinelli said, "and maybe I shouldn't. But I want to say that Robin Roberts is the best young pitcher in the National League. And I have worked behind him all.

"In all my days of umpiring I have never seen a first-year man, particularly one who didn't have much experience, organized ball, show so much poise, natural ability and courage as he does. He's going to be one of the greats, unless I miss my guess."

While Pinelli's statement coming from an umpire as it did, it was nothing new. The 22-year old Michigan State grad, who came up to the Phillies in June after winning nine and losing one for their Wilmington, Del. Class B farm is one of the most talked about young hurlers in the circuit.

Roberts walked six and struck out five last night as the Phillies were defeated by the Cardinals 4-2. He allowed five hits.

EAST STREET SWAMPS McCLINTOCK SQUAD

East Street swamped McClintock School, 21 to 3, in a Midget Baseball League scrap on Russell Field yesterday.

Wilson had a perfect day at the plate getting four hits and scoring four runs in four opportunities. Smith and B. Erickson slammed doubles for the victors.

Lacy School will tangle with South Street Friday morning at 10 o'clock on Russell Field.

First Methodists Even Up Title Series With 8 to 7 Triumph Over Knights of Columbus

First Methodists shed the Knights of Columbus, 8 to 7, on Beatty Field last night to climb right back into the Church-YMCA Softball League championship series.

The victory for the church team evened the count in the best-of-three affair to one victory each, the K. of C.'ers having won the first game by a 16-8 count.

Third and final round of the title games will be played on Beatty Field Tuesday evening, Sept. 7, at 6 p. m.

The Methodists notched two runs in the fourth, added two more in the fifth and then came through with a four-run performance in the eighth.

The Knights started the game off with single tallies in the first and second frames, added two in the sixth and then staged a rally in the ninth that just fell short of a tie or a victory. As it was, the K. of C. got three markers in the final inning, but three runners were left stranded on the pads when Lucas fled out to Peterson to end the game.

Both teams changed their moundmen after eight innings, with Sven Forslund taking County's place on the Methodist team, and Pappalardo replacing Aumer for the K. of C.

WELTERWEIGHTS TO FIGHT THIS EVENING

New York, Sept. 2.—(P)—Doug Ratford, Brooklyn welterweight, will make his first appearance as a main bout performer in Madison Square Garden tonight against Tommy Bell, Youngstown, O., veteran.

Ratford has fought only three times this year, but has won them all. His victims include Kid Gavilan, flashy Cuban bolo puncher. Bell has won his last two fights by knockouts.

Tonight's fight is scheduled for ten rounds. Eddie Marotta, Cleveland featherweight, will meet Joey Barone of Pittsburgh in the six round semifinal.

With Feller In Form Indians Again Loom As Team To Beat

By JOE REICHLER
Associated Press Sports Writer

With Bob Feller serving warning that he is once again the master moundman of old, the Cleveland Indians loomed today as the team to beat for the American League pennant.

True, the Tribe is in third place, a game and a half behind the front running Boston Red Sox, and a half game back of the runner-up New York Yankees. However, with Feller apparently returned to form, and Bob Lemon to back him on the firing line, the outlook for the Indians appears very bright.

Feller turned in his second straight sterling performance last night, permitting the Philadelphia Athletics only six hits, and striking out eight. He pitched for nine, as the Indians won 8-1.

Bill McCallahan started for the "last night, and promptly walking the first three batters on 14 pitches. Then Lou Brissie took over, got Joe Gordon to pop up, but was tagged for a base clearing triple by Ken Keltner who scored the fourth run on Eddie Robinson's single.

Gordon later hammered his 24th home run of the year. Feller had a shutout until the ninth when Pinch Hitter Carl Scheib grounded and scored on Barney McCosky's single.

The Red Sox maintained their hold on first place by routing the Detroit Tigers, 10-1, at Fenway Park. Jack Kramer notched his 19th victory against four defeats, doling out eight hits. The Red Sox collected 10 against four Bengal hurlers.

The Washington Senators staved off a ninth inning rally to nip the Chicago White Sox, 5-4, and move past the Browns into sixth place. After the White Sox had scored three runs and had the bases filled Forrest Thompson took over and got the third out.

The Brooklyn Dodgers opened up a half game lead over the Boston Braves in the torrid National League race when they turned the tables on Johnny Schmitz and defeated the Cubs in Chicago, 6-0. At the same time, the Braves, who started the day two percentage points behind the Brooklyn team, and had a split in their double-header with the Reds in Cincinnati. After Johnny Vander Meer bested Warren Spahn, 3-1, in a hurling duel, the Braves pounced back to slaughter the Reds, 11-1.

The St. Louis Cardinals swept past the Pittsburgh Pirates into third place, defeating the Philadelphia Phils, 4-2, in a night game in St. Louis. Right-hander Robin Roberts walked in two St. Louis runs, and Ron Northey cracked a home run.

Southpaw Monte Kennedy dumped the Pirates into fourth place by pitching the New York Giants to a 3-1 triumph in Pittsburgh. Pittsburgh scored its run in the ninth on a walk, stolen base and Eddie Fitzgerald's single. The hold of Feller's single. The hold of Feller's single. The hold of Feller's single.

Kennedy Applies Brakes To Pirates

Pittsburgh, Sept. 2.—(P)—Southpaw Monte Kennedy applied the brakes to the Pittsburgh Pirates' current pennant surge last night as he pitched the New York Giants to a 3 to 1 victory over the Bucs.

The loss dropped the Pirates into fourth place, three games behind the front-running Brooklyn Dodgers.

Kennedy had a shutout until the ninth, when a walk, a stolen base and Eddie Fitz Gerald's single gave the Pirates their only run.

The Giants got their three runs off Ernie Ponder in the fifth. Danny Murtaugh, Pirates' second sacker, hit safely in his 19th consecutive game when he singled in the third.

Plan Opening Of Business School Sept. 7

The Warren Business School, 224 Pennsylvania avenue, west, formerly the Hoff Business College, operated from 1902 to 1945 by Ira Hoff, of this city, opens its doors Tuesday to the public for its 46th consecutive season.

Owned and operated by Edward F. Marek, formerly with the Jamestown Business College, Jamestown, N. Y., the school will continue to operate on the high plane of service practiced by its former owners. The business subjects which are taught are brought up-to-the-minute by the use of the latest text, keeping pace with the changes in laws applying to accounting and modern office practices.

The accounting department will remain under the able direction of Miss Berthinda Cusins, well known in Warren for her accounting ability. Joseph Along will continue to direct the typing, economics, secretarial practice and office machine classes, while Mr. Marek will conduct the shorthand, mathematics, law and English classes.

The enrollments are slightly higher this fall from high school graduate classes, but veteran enrollments to date are considerably under 1917 registration. Although more late veteran enrollments are expected, the peak of veterans' training under the GI bill appears to have been reached and passed.

The Warren Business School continues to be a desirable and effective training agency and a well-known source of supply for well-trained office help serving business and industry in Warren county.

As the guests assembled, Margaret Swanson, classmate of the bride, played "Dreams of Love," "Because," "I Love You" and "Salut d'Amour." She also accompanied for Mrs. Nelson, who sang a different arrangement of "Because."

Walking down the aisle alone, the bride was attractively attired in white silk faille, styled with a collar of illusion net and neckline in off-the-shoulder effect. Orange blossoms were used in trimming her skirt and were repeated in the crown which held her finger-ring. Silver slippers completed the costume and her arm bouquet fashioned of white roses showed with white streamers.

Her sister, Phyllis, as maid of honor, was attired in a bustle-back of rose faille, with yoke of illusion net, with which she wore a picture hat and gold colored corsage and carried a bouquet of white roses and baby's breath.

Bridesmaids were Connie Johnson and Allene Johnson, also of Ludlow. The former was in white chiffon made with square neckline and matching lace insert in the skirt, and Miss Johnson wore a bustle-back frock of blue taffeta, with illusion net yoke and lace trim. Each had a head bandeau to match her frock and carried a bouquet of yellow roses and baby's breath.

William Sloan, of Kane, was best man for Mr. Johnson, and ushers were Kent Swanson and Paul Johnson, of Ludlow.

Mrs. Dahle chose a brown silk print, with brown accessories, and Mrs. Johnson wore a blue and white silk print and black accessories. The bride's grandmother, Mrs. F. W. Wike, was attired in navy blue chiffon and had black accessories. All three had pink carnation corsages.

The reception followed immediately in the church parlors, where appointments were carried out with pink tapers and garden flowers. The heart-shaped cake of three tiers was cut by Mrs. William Hanson, Ludlow, while Shirley Swanson and Anne Carlson, also of Ludlow, presided.

The guest list of 60 included Mr. and Mrs. Charles Johnson, Richard Johnson, Ralph Johnson, Mrs. Louis Starnier, Mr. and Mrs. Herb Lundgren, Kane, Anne Johnson, Carroll Kotmair, Warren; Joyce Carll, Bradford; Carol Ann Henry Sheffield.

For a honeymoon in the Chautauqua region, the bride selected a dress of black rayon faille, with which she wore white accessories and a corsage of pink carnations.

The bride-elect was honored at pre-nuptials given by her sister,

HAROLD'S ESSO SERVICE.

HE'S NOT ON OUR PAYROLL...

but we couldn't do business without him!

When you take your car to an Esso Dealer Station for gasoline, motor oil, or a complete lubrication job - you're not really "doing business" directly with Esso Standard Oil Company of Pennsylvania and affiliated companies, even though we make the fine products you get.

Instead, these 25,000 Esso Dealers from Maine to Louisiana are local, independent business men. You deal with the owners themselves - men who have invested their money and their initiative in building their own futures on serving you.

From many competing brands of gasoline and oil, these local business men have chosen Esso products. Year after year, they have seen first-hand evidence of the satisfaction to the buyer that Esso quality stands for.

As of today, these able business men have, on the average, handled Esso products for 12 years each. Many have bought from us for 35 and 40 years.

Obviously, we couldn't do business without these men. And naturally we're proud of them - just as proud of them as we are of the 29,000 workers who are on Esso company payrolls.

Both groups - our own employees and these "partners" in their independent businesses - express this company's basic belief that individual enterprise, given its fair chance to earn fair rewards - is the best way and the American way to make progress with and for all the people of this country.

HOME FROM HAMOT

It will be good news to his many
friends that Delbert Decker, 111,
Dartmouth street, who has been
under the care of Dr. Fortune at
Hamot Hospital, has been brought
home and will be glad to have call-
ers. Mr. Decker fractured both
ankles recently when a scaffolding
collapsed at his place of employ-
ment on Roy street.

FIRE AT FRENCH CREEK

Flames, believed caused by spon-
taneous combustion, late Tuesday
afternoon and night leveled the
large barn on the Warren W.
Whitney farm one and one-half
miles west of French Creek, caus-
ing a loss estimated at \$25,000.
There was only \$5,000 insurance on
the building. The fire broke out
about 4 o'clock in the afternoon
while Mr. Whitney and his son,
Oliver, with whom he operates the
large farm, were threshing.

HOLIDAY REMINDER

State Police headquarters urged
Labor Day weekend motorists to
make "an all-out effort" to bar
death from Pennsylvania high-
ways. "We hope that all drivers
and pedestrians will take full ad-
vantage of skill, good judgment
and mechanically sound automo-
biles to prevent tragedy," said Col.
C. M. Wilhelm, State Police com-
missioner. Wilhelm added that all
available State Police will be as-
signed to traffic duty throughout
the Commonwealth during the
holiday period.

CHILD SWALLOWS EYE

Barbara Hedstrom, 4½ year old
daughter of Mr. and Mrs. Eric
Hedstrom, St. Marys, swallowed
one-half of the eye off a toy fur-
ce last Friday morning. Taken
to the hospital here an X-ray ex-
amination revealed the eye lodged
in the bronchial tube. Barbara was
taken to the Mercy Hospital in
Pittsburgh the same day where
Dr. Peronne removed the object.
After coming home the young
child complained of a shortness of
breath and was admitted to the
local hospital where her condition
was called satisfactory.

Forest Fire Season Here Supervisor Says

The recent hot weather and lack
of rain together with the ap-
proaching fall season impresses us
with the possibilities of forest
fires, announced Forest Supervi-
sor A. H. Anderson, today.

Vegetation in areas where there
is not an overstory of young tim-
ber is becoming dry and with con-
tinued hot weather and winds, pos-
sibilities of fires are increasing
daily. A wet and cool spring and
early summer have effected the
recreational use of our woodlands
to some extent explained Mr. An-
derson, and people will be taking
advantage of every opportunity to
enjoy the woods the remainder of
this season.

Everyone is urged to continue to
be cautious in their use of camp
fires and smoking while traveling.

Forest Parks Set A Record In Attendance

It is expected that the use of re-
creational facilities on the Allegh-
eny National Forest over Labor
Day week-end will bring the at-
tendance figure to the highest on
record, announced Supervisor An-
derson, today. The attendance at
Twin Lakes is expected to exceed
by 25 per cent the number that
used this popular area last year.
Other areas have also been re-
ceiving heavy use.

Labor Day is usually consid-
ered the end of the swimming and
camping season and as funds for
the administrator at Twin Lakes
will not permit employment after
that date, the bath house and ad-
ministration building will be closed.
However, stated Mr. Anderson,
all areas will be left open during
September for picnicking.
Recreationists have used to the
fullest extent the receptacles pro-
vided for disposal of trash. This
cooperation by the public is great-
ly appreciated by those in charge
of the area.

ELEPHANT DEATHS
Elephants, contrary to popular
legend, don't go to a common ele-
phant graveyard to die. It is esti-
mated that 2,000 elephants die in
Africa each year. Few of them
are found, however, for the forest
quickly covers over the remains
left by scavengers.

HERE and THERE

"A symbol for the salvation of Europe" was the public press characterization of the magnificent celebration that marked the 700th anniversary of the laying of the cornerstone of the famed Cologne cathedral, the Dom, on August 15, 1248, which time Bishop John Mark Gannon of the Erie diocese spoke in fluent German to some 100,000 Catholics assembled that afternoon in the Cologne stadium to hear addresses of welcome and greetings from the visiting prelate. According to the recent issue of The Lake Shore Visitor-Register, the official diocesan newspaper, Bishop Gannon, who is attending the event as the official representative of the administrative board of the Na-

tional Catholic Welfare Conference, said, "American Catholics have always had a close bond with the Catholics of Germany, because the blood of so many millions of Americans is the same blood that runs through your veins. Let us bind up the wounds of the world and dedicate our lives and labor to the message of the angels who brought glad tidings of good will to all men." Speaking as "an American and your brother in Christ," Bishop Gannon then expressed the hope that "you, the great people whose cultural and extraordinary achievements are known and respected throughout the civilized world, will not sink into the bitterness of despair but will assume your honorable and illustrious place among the peoples of God." Accompanying Rev. Msgr. G. Gerald Dugan, pastor of St. Andrew's of Erie, and John Held and Norbert Gannon, both of Erie, and nephews of the bishop.

Wednesday we noted that committee had been appointed "in the seven wards of the borough" to solicit funds for the purchase

of Russell Field as a public playground for the borough. Now we learn that it was forty years ago next December that the borough council considered an ordinance for the annexation of Glade Run, a fifth ward into the borough, and it was later that year that the boundaries of the eighth ward were fixed in court, and election officials named. At the council meeting when the annexation was discussed we find "Messrs. Lyons and Beshlin appeared for the petitioners, and Messrs. Baldensperger and Lacy for the remonstrants. Mr. Baldensperger presented his affidavits as collector of the road fund for the township of Glade, showing that the total valuation of the assessed property proposed for annexation was \$176,656. A motion to postpone indefinitely action on the proposal was lost. E. L. Cooper, Frank Anderson and W. L. Belz appearing

before the petitioners, asked leave to withdraw the petition, maps and all proceedings in the matter of annexation of Glade Run to the borough. It was moved by F. J. Lyons, seconded by Hazen the request be granted." At that time U. G. Lyons was president of council, and W. E. Weed, secretary.

This and That: Over in Mercer county proprietors of two drive-in theatres have learned that the district attorney's office frowns upon outdoor bingo games preceding shows; bingo has been operated at the drive-ins during the past several weeks under the auspices of charitable organizations, the games usually starting an hour before the first night show, with bingo cards being sold at the cars and numbers being announced over the public address system, with winners blinking car lights to notify the operators—now notice to stop the games has been given "privately and confidentially" to the theatre operators. August rainfall in the area was approximately 2.63 inches, with sufficient rain for measurement on nine days and on two days the measurement was more than half an inch. The display of A. C. Westren's ornamental iron work which has been shown in the S. P. Eckstrom store window in Titusville for the past month, has attracted much attention, especially during the Oil Festival, and according to the Herald Mr. Westren has added to the exhibit which he plans to leave in the window for the rest of the week; he says he has received many orders since the examples of his work have been displayed there. Birthday greetings to "Rabbit" Swanson who will be cutting cake tomorrow. Adjutant A. L. Brandenburg, who was in charge of

the Warren Salvation Army before being transferred to Oil City several years ago, was the principal speaker at the Tuesday meeting of the Kiwanis Club in that city; it will be recalled that Adj. Brandenburg started the alterations of the local Salvation Army building providing for the commodious assembly hall just before he received his orders to move to Oil City. And that reminds us, plans are being formulated for a meeting of all Kiwanians of northwestern Pennsylvania at Conneaut Lake September 15—during the afternoon there will be golf, swimming, boating, followed by dinner at 6:30 during which Governor James H. Duff will be the speaker. Wallace P. Jewell, former North Warren man, gave a talk before the Bradford Rotary Club this week, speaking on truck transportation and highway safety problems. According to Commissioner Bill Olney, a

white frost visited the Scandia section Wednesday morning—on the pumpkins, too?
